## **SCHOLARSHIPS:**

We now have one remaining scholarship available. This is the book scholarship. It is an NM AAACEI Section ongoing campaign to give a book scholarship to an in-state post-secondary student in the construction and engineering disciplines. If you know of a student who is eligible, please let them know of the scholarship. Contact Tim Cynova for information or see our Sections website [www.aacei-nm.org](http://www.aacei-nm.org) for additional details.

Per discussion with advisors at UNM, it was noted that there are more scholarships than applicants for the scholarships. If your niece, nephew, son, granddaughter is enrolled at UNM, it might be worthwhile to set up a date and go see what scholarships are available.
