

FROM THE PRESIDENT

Happy Fall Y'all! I hope everyone was able to enjoy their Summer, and is ready to jump back into our monthly meeting schedule

We conducted a planning meeting back in August to develop the fall schedule of events. Those events are as follows.

- Oct 28: UNM Visit (evening meeting)
- Nov 19: Best Practices for Project Schedules: GAO Schedule Assessment Guide (Landon Moya)
- Dec 17: Holiday Gathering/Audit Books/Election Results

Lastly, our election cycle will kick-off in Oct/Nov. The list of nominees will be released in November, voting will happen in early December and the new officers will be installed at the December meeting. If you are interested in becoming an officer, please let me know. It is a great (and easy) way to earn CEU's for your certifications.

All members are encouraged to attend our monthly meetings. If you are interested in presenting a topic, please contact Al Milton (emilton@tecolote.com)

Don't forget to visit our local chapter's website (www.aacei-nm.org) for meeting times and locations, general section information/background and local section news.

Mike Sciabica, PMP

CERTIFICATIONS/EDUCATION BOARD:

If you are also considering examination and registration, please begin your application process and completion of the necessary requirements. If you work in any type of cost and schedule disciplines on a part-time or

continuous basis you should seriously consider becoming certified in your area of expertise. Certification validates your professional background and your commitment to providing services within your area of expertise.

Check the AAACEI.org website under certifications for the necessary requirements for certification. The AAACEI is computer based testing.

The current listing of certifications includes:

- Certified Cost Professional (CCP)
- Certified Cost Consultant (CCC)
- Certified Cost Technician (CCT)
- Certified Estimating Professionals (CEP)
- Certified Forensic Claims Consultant (CFCC)
- Earned Value Professional (EVP)
- Planning & Scheduling Profession (PSP)
- Certified Scheduling Technician (CST)
- Decision and Risk Management Certification (DRMC) – currently under BETA testing

Please note that our local section has workbooks that are available to you for reference and use as a study guide in the pursuit of certification. Contact Mike Ebbers for use of the books.

Other materials provide by the AAACEI Education Board includes:

- Seminar in a Box
- On-Line Learning Center
- S&K 6th Edition
- Study Guides
 - Decision and Risk Management
 - Cost Estimating
 - Scheduling Primer
 - Estimating Primer

SCHOLARSHIPS:

We have one scholarship available. This is the book scholarship. It is an NM AACEI Section ongoing campaign to give a book scholarship to an in-state post-secondary student in the construction and engineering disciplines. If you know of a student who is eligible, please let them know of the scholarship. Contact Tim Cynova for information or see our Sections website www.aacei-nm.org for additional details.

JOB LISTINGS:

** SEE Career Column at AACEI website!!!

NEW MEXICO SECTION WEBSITE:

If you haven't already, please visit the New Mexico Section Website <http://www.aacei-nm.org/>

Any suggestions on additions to the NM Section Website would be appreciated!

AACEI Events:

The 2021 Conference and Expo will be Jun 26-29 in San Antonio, TX. The event will be hosted at the San Antonio Marriott Rivercenter. Please visit <https://web.aacei.org/conferences-events> for more information.

Certifications:

For those of you seeking to be certified in one of the many AACE certification categories, please Remember that the certification exams are held as scheduled – see the web site at www.aacei.org for schedules and the online book store.

Please register for the exam as early as you can so that you do not run out of time between preparing for the exam and writing your technical paper.

Our New Mexico section has guidance books, which you can borrow, as you prepare for the CCP and CCC exam. Remember also that a technical paper will need to be submitted prior to the exam.

Please see the listing of specific certification categories on the AACE website. Also note the specific requirements for the exam and the technical paper on the website and give AACE headquarters a call (800-858-COST) with any questions you may have.
